

STRENGTHENING INDIANA FAMILIES FAMILY RESOURCE CENTER ELKHART COUNTY

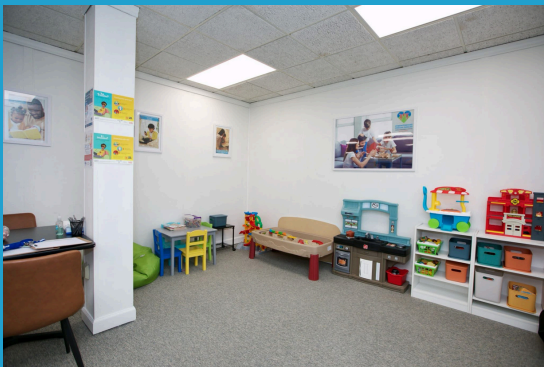

The Elkhart County Family Resource Center is a safe and welcoming place that provides a one-stop shop for resources in the community, concrete support in times of need, onsite connection to services and programs, community navigators, and monthly family fun events. We are a community hub where families can find support, connection, and encouragement without stigma or judgment.

Kid's Don't Come with Instructions - We Can Help!

What You'll See at our Center

Our Kid's Play Area where children can play while parents work with our community navigators, free access to computers, printers, wi-fi, and a fax machine. Books families can take home to encourage early learning and promote family bonding.
