

# STRENGTHENING INDIANA FAMILIES FAMILY RESOURCE CENTER

## Tipton County

**A community that supports thriving families provides the opportunities families need to build protective factors.** With a vision to create strong and caring environments while promoting collaboration in communities, Family Resource Centers do just that.

- **Concrete supports in times of need**, Susy's Store ensures families have what they need to stay healthy and safe.
- **Family Fun Events every week.**
- **Onsite connection to services** and programing with our co-located partners.
- **Community Navigators** know the communities' resources and are here to support.

### Susy's Store

Susy's Store of Take & Make meals and Safety Items and the Glowing Essentials Hygiene Store were utilized 440 times, providing food, hygiene, and safety items to 789 adults and 961 children in Tipton County.

**Enjoying snacks and playtime in our dedicated Kids Korner!**

**4C Health staff hosting Pop In Playdate for children in the community!**

### We're proud that ...

- **1,041 guests** visited our center for referrals, education, and support.
- **2,868 participants** engaged with the family fun events we offered.
- **4,819 services** were provided throughout the year to our Tipton County community.

**Parent Quote:**

**"We love how friendly the staff are ... Also we really enjoy the special crafts and treats. It gives us a chance to bond w/ our littles without the stress. It's a great environment!"**
